Advantages of OccuDoc Live

- All it takes is ONE scheduling call from the Injured Worker to start the process. Call Scheduling @ 888-749-1199
- The Injured Worker Benefits from:
 - 4 times longer face-to-face time with the Doctor
 - Injured Worker is educated as to the mechanism of injury as well as Taught the Key Steps to Recovery
 - FREE Medications, Braces, Rehabilitation Exercise Videos and Rehab Devices delivered overnight to the patient's home
 - The injured worker has the ability to text questions directly to the treating doctor at any time
 - Better Patient outcomes
 - STATEWIDE COVERAGE IN CALIFORNIA
- Your HR/Risk and Safety Team Benefits from:
 - Quick access to the Provider to discuss any issue
 - Full Treatment and Work Status Reports sent to you in about an hour after the patient visit
 - In depth discussions of the treatment plan, compensability, prognosis and ALL things related to RETURN TO WORK
 - COST SAVINGS of over 20% by cutting out the unnecessary and wasteful overutilization of cost drivers
